Includes 4 different class, 7 different map and 3 different game mode with weapon and character customization.. ly/321LmwHAbout This GameEXCHANGE, is a Low Poly multiplayer first person shooter madness.. Not bad game ai sucks and my system well meets over the maximum requirements but still moves like i meet less than minimum.. Basic, simple and fun, get round it! theres noone on the servers yet -_- Really Interesting, hit detection is good.

Only thing is being that its a new game lobbies are usually 1v1 or maybe 2v2 Still very fun for being such a small lobby.. Fix damage on grenades, they should be deadly need a boost I'll give you guys a positive review, i think this can be a cheap and fun game if we have more players.. This game has potential and with it costing so little it has come a long way alreadyEXCHANGE FIRST WEEK UPDATE:EXCHANGE FIRST WEEK UPDATE 0.. 2 7 EXCHANGE CHRISTMAS UPDATE:EXCHANGE CHRISTMAS UPDATE V0 2 8NEW CHRISTMAS THEMED MAIN MENU BACKGROUND.. Only thing i will say that needs work though is the respawning system In the game mode similar to Capture the Flag, the spawns got flipped to where we started spawning at the opposing teams base which made it real easy to start scoring.. Character mechanics are improved EXCHANGE HEALTH UPDATE V0 2 7:EXCHANGE HEALTH UPDATE V0.. 2 4Download Harvester rarWorlds of Chaos: Invasion activation code and serial keyMy Name is You - OST download 100mb pcAlpenCROSS download for pc [key serial]Van Helsing: Veteran Multiplayer Skin crack activation code downloadNecro Immortallis full crack [Keygen]Gyro Boss DX Free Download [portable edition]Groove Coaster - Asgore Ativador download [key]Ultimate Sudoku Collection - Samurai Median Pack download for pc [Xforce]Midnight Pulse Torrent Download.. ai sucks and my system well meets over the maximum requirements but still moves like i meet less than minimum.
